You're life is in my hand  
You're losing your mind  
And you know it

You're pain is my gain  
No choice left  
But no retreat

The Pilgrimage is annoying  
It's mine your soul  
All that will be left letters engraved in stone  
One thing's for sure-bloody and gore

My blood-your Blood  
Bloody and gore

Imagine the world falling down  
Remember the king with no crown  
The surface is filled with maggots  
Fled from the cradle of life

Loosing your strength  
Loosing your power  
The end of the road  
The soul's depraved

The pilgrimage is ending  
It's mine your soul  
All that will be left letters engraved in stone  
One thing's for sure-bloody and gore
