On the battlefield again - eye for an eye  
No way back - just silence  
Thoughts are gone - feel the adrenalin rising  
On the battlefield again - eye for an eye

Death for those who'll show weakness  
No failure allowed - first blood flows  
From my hands - from my sword  
And the first warlords gone to glory

You want to change great things  
But you won't have felicity  
Mine is the triumph  
Soon you will die

I want your death  
Clash of the titans  
I want your death  
Clash of the titans

Hammer smashing down  
And splitting your head  
Screaming crusades and chipping bodies  
My bloodlust is growing

Finally my dagger stabs your heart  
Splitting you in two parts  
Warm far - red blood spilling on my hands  
To draw one's last breath

Death for those who'll show weakness  
No failure allowed - first blood flows  
From my hands - from my sword  
And more warriors gone to glory

You want to change great things  
But you won't have felicity  
Clash of the titans  
Mine is the triumph  
Now you're dead  
Clash of the titans
