Now - now - now
Now i'm looking back

Fear of life, in my head I grow
Lost it all, dreams they wait

Now - now - now
Now I can't crasp it

The tears will try
Try to hide
To help me

Away - away - away
Now you're so far away
So far away

Can I have confidence in love
All I gave is not enough
The hour feel the time
No hope
Now I'm still alive

Now - now - now
All is drifting away

Tears will try
Try to hide
To help me by myside

Away - away - away
Now you're so far away
So far away

Now I've doubts
If the needs for safety
Emotions fly
Pay living them
Is not enough
Be hidden feelings shown reserved
Trust eat them

Use of confidence
