Can you smell it
When somebody breaks the ethic
And cover with dirt
What you're living for

It's hard to accept
What goes on in these heads
In struggle with the inner
Are these my enemies?

THE ETHIC INSTINCT
THE ETHIC INSTINCT

Let's try to follow us
Don't be so shy
Let your masks just fall
And stay with us...

THE ETHIC INSTINCT, THE ETHIC INSTINCT
THE ETHIC INSTINCT, THE ETHIC INSTINCT

Can you smell it?
If someone is dirt!
Can you smell it?
If someone is dirt!

If someone is dirt!
If someone is dirt!
If someone is dirt!
If someone is dirt!
If someone is dirt

THE ETHIC INSTINCT, THE ETHIC INSTINCT
THE ETHIC INSTINCT, THE ETHIC INSTINCT
THE ETHIC INSTINCT, THE ETHIC INSTINCT
THE ETHIC INSTINCT, THE ETHIC INSTINCT
