Try to go, why do you have to go? now, tears will try, try  
to follow  
Now the way to the feelings, they turn around me,  
check life...

Give me another... another chance for a new life  
Give me another... another chance - I'll be blind

I am the man who waits for you - follow me  
Life is always extreme, my life round about me

Life is always extreme, life will kill - I'll rape, give me  
another...

Infected

I'm a psychotic monster, I'll kill - I'll rape, I try to  
become addicted to  
Love

Infected

I don't mind - this is my dream, I don't care - this is my  
dream

I am the man who waits for you - follow me  
Life is always extreme, my life round about me

Life is always extreme, life will kill - I'll rape, try to fall in  
love  
Again

Infected

I'm a psychotic monster, I'll kill - I'll rape, try to fall in  
love again

Infected

I don't mind - this is my dream, I don't care - this is my  
dream

Infected

Life don't kill me, no way - don't wake me up, life don't  
kill me

Infected
