Along a strange way
Tear down all fears
Rely on mind's eye
And face all doubts

Beware of the know all
Their pessimistic view
Preserve your conviction
Just visual - just visual for you

Me and my world
A wholesome church

No easy movement
Against the stream
Pragmatic values
Destroy the dream

Beware of the know all
Their pessimistic view
Preserve your conviction
Just visual - just visual for you

Me and my world
A wholesome church

I take the difficult way
I don't need any church to pray
I've chosen the right way for me

I take the difficult way
I don't need any church to pray
I've chosen the right way for me

Me and my world
A wholesome church
Me and my world
Come on and see - and see...

They destroy the dream
They destroy the dream, my dream

They destroy the dream
They destroy the dream, my dream
My dream
