Shine, shine

I'm so depressed, I'm so alone
With my own thoughts
They, never been told

It's like a tunnel, no light surrounds me
I loose my aim
And I'm in grief

Shine, shine...

My time will come, then I'll shine
I'm looking back
Subjected life

Until it's true I must be strong
I've to stand tall
Without a doubt

Am I blind
No, I'll shine, I'll shine, I will...

Shine - shine - shine - shine

It's just one step, it's just one thought
Keeps me alive
To carry on

It's not for you, only for me
It's like a wonder
And now I'm in love

Am I blind
No, I'll shine, I'll shine, I will...

Shine - shine

That was my story of bitterness and no glory
Now see me shine, now see me shine
