My ways are scattered
My life in pain
My ways now others
My heart
Drilled by pain

My ways were
Like yours
My life was
Like yours
No day too long
The world I was been
Was enough - was enough

Emotions, reflections
Tears will fall
A pondering heart through my head

I will stop the real
A drift from above
Thousand thought waves are here

For the crack
They will it spite
They never dwell
I'll follow my way
A Soul Massacre
For the crack
They will it spite
They never dwell
I'll follow my way
A Soul Massacre
A Soul Massacre
For the cracked life
I'll follow my way
Soul Massacre
For the cracked life
I'll follow my way
Soul Massacre
Soul Massacre
For the cracked life

I'll follow my way
