"The Decline"

Visit "[The Decline](#)" on MotoLyrics.com

Instead of restriction
Instead of well-known
Instead of the narrow minded
Diversity makes us grow, makes us grow...

Instead of pretenders
Instead of this fake
Instead of al promises
Collapse will be our fate

Why - why - why - why, please tell me why, tell me why...

Instead of the cowards
Instead of the blind
Instead of excuses
Indifference destroys our kind

Now, face the decline
Now, face the decline
Flashed before my eyes
It's for good, now face the decline...

Now, face the decline
Now, face the decline
Flashed before my eyes
It's for good, now face the decline...

Now...
