You know I'm not one to break promises  
I don't want to hurt you, but I need to breathe  
At the end of it all, you're still my best friend  
But there's something inside, that I need to release  
Which way is right? which way is wrong?  
How do I say that I need to move on?

You know we're headed separate ways

And it feels like I am just too close to love you  
There's nothing I can really say  
I can't lie no more. I can't hide no more.  
Got to be true to myself  
And it feels like I am just too close to love you  
So I'll be on my way

You've given me more that I can return  
Yet there's so much that you deserve  
Nothing to say, nothing to do,  
I've nothing to give  
I must leave without you

You know we're headed separate ways

And it feels like I am just too close to love you  
There's nothing I can really say  
I can't lie no more. I can't hide no more.  
Got to be true to myself  
And it feels like I am just too close to love you  
So I'll be on my way

So I'll be on my way

And it feels like I am just too close to love you  
There's nothing that I can really say  
I can't lie no more. I can't hide no more.  
Got to be true to myself  
And it feels like I am just too close to love you  
So I'll be on my way

So I'll be on my way

So I'll be on my way
