now - now - now  
now i'm looking back

fear of life, in my head I grow  
lost it all, dreams they wait

now - now - now  
now I can't crasp it

the tears will try  
try to hide  
to help me

away - away - away  
now you're so far away  
so far away

can I have confidence in love  
all I gave is not enough  
the hour feel the time  
no hope  
now I'm still alive

now - now - now  
all is drifting away

tears will try  
try to hide  
to help me by myside

away - away - away  
now you're so far away  
so far away

now I've doubts  
if the needs for safety  
emotions fly  
pay living them  
is not enough  
be hidden feelings shown reserved  
trust eat them  
use of confidence
