my dreams
are closed for your eyes
my life
behind a mask
why can't I change myself
myself?

Behind Those Eyes
behind - behind
Behind Those Eyes
Behind Those Eyes

speechless tracks
mark my lifetime
where I've hidden in myself

growing tired of living this way
the meaning of life
has faded away

Behind Those Eyes
behind - behind
Behind Those Eyes
Behind Those Eyes

I'll look the man

the man behind the mask
I look behind the mirror
there is the mask

hidden thoughts
come to daylight
a holding for these eternity
a spark of hope in my life
in my life . . .

this is my private story
my story of woe

I've to set free
my inner voice

how can I cure myself?
it would be worth a try
where will it all end?
