CRIMSON GLORY Cover

Trapped in their world no free passage to leave
You accept their tyrannical dream
You pray to their gods not your chosen ones
Freedom's clutched in the jaws of red kings

Give us your freedom, we'll give you hell
Hear no evil, see no evil, speak no evil

Give us your freedom, we'll give you hell
Hear no evil, see no evil, speak no evil

Glory to red sharks
Answer to your red dictators
Feeding from your dreams
Cast into a sea of red sharks
Holding the power a hand that grips fate
Stripping from you all but fear

Hovering vultures like demons feed
On all who bow to their communist scheme

Give us your freedom, we'll give you hell
Hear no evil, see no evil, speak no evil

Give us your freedom, we'll give you hell
Hear no freedom, see no freedom, speak no freedom

Glory to red sharks
Answer to your red dictators
Feeding from your dreams
Cast into a sea of red sharks
Red sharks
Bloody the red sharks
Red sharks

Red sharks
Bloody the red sharks

Red sharks
