When I look
My face behind
Cannot hide
My soul is screaming

Like a dog
Whine I through life
My part is leaving

I survive - I survive

Let me in
Inside the room
The room where I
I'm screaming

To be not here
I'm feel alone
Where is the new beginning?

I survive - I survive

When I look behind
There are scars, they're screaming
All this discord in life
And I'll survive

Be my own God
That's all I want
Together as one
Oh, I miss it too long

Without all
These fullfilments

I'm only - a half human being

I survive - I survive

When I look behind
There are scars, they're screaming
All this discord in life

And I'll survive - and I'll survive - and I'll survive - and I'll
survive

Survive

Now I'm back here
In my real world
I'm very proud of it
To be present again
On my holy place
Where I belong
Don't try to ban me - cause I'm too strong

When I look behind
There are scars, they're screaming
All this discord in life
And I'll survive

Survive
