Visit "[Fight Back](#)" on MotoLyrics.com

This desire results from people's anger
Towards the system
Fight the system fight back
Fight the system fight back
People die in police custody
Why don't you go see if God can see them
Fight the system fight back
Fight the system fight back
We been shit on far too long
London wants is no freedom
Fight the system fight back
Fight the system fight back

Stand up fight for freedom
Stand up fight for your rights
Fight the system fight back
Fight the system fight back
Fight the system fight back
