Kept in line with truncheons  
Rifle butts and truncheons  
This is state control!  
This is state control!

State control, state control,  
This is state control!

Beaten up, behind closed doors  
Cracked and bruised ribs, bloody mouth  
Cracked and bruised skull, bloody mouth

State control, state control,  
This is state control!

Kept in line with truncheons

This is state control!

State control, state control,  
This is state control!
