You're so afraid to stand up  
But without you they are nothing  
Unite unite unite and fight  
Tomorrow belongs to us  
Unite unite unite and fight  
Tomorrow belongs to us  
Why should we suffer to fulfill their schemes of  
position and greed  
Unite unite unite and fight  
Tomorrow belongs to us  
Unite unite unite and fight  
Tomorrow belongs to us  
You're so afraid to stand up  
But without you they are nothing  
Unite unite unite and fight

Tomorrow belongs to us  
Unite unite unite and fight  
Tomorrow belongs to us  
Why should we suffer to fulfill their schemes of  
position and greed  
Unite unite unite and fight  
Tomorrow belongs to us  
Unite unite unite and fight  
Tomorrow belongs to us
