The candy looks so good to me
I just want to taste it
The candy looks so good to me
I just want to break it
I never thought it would end up this way
Why didn't I know it would end up this way [*James 1:13-14*]

I'm sick and tired of this ritual fling stuff in my life that
needs sorting
Why do I do this to myself
God get in here I need your help [*Romans 7:13-25*]

Come to me Bernie run to me Bernie
I never knew you the Bible is true [*Matthew 7:21-23*]
Where did everybody go
They were all here just a minute ago
No God no this can not be
I repented at a quarter past three [*Luke 16:23*]

I was misled hell burns so bad [*Matthew 18:9*]
Why did I lose the treasure I had [*Luke 12:33-34*]
Please one more chance
I won't do it anymore
There is no feeling here I am so sore [*Luke 16:24*]
