As I lie here thinking
Can't think of one good reason
For what I've done to you
I've seen both sides
I know the pain of being alone
And I have to confess this to you
That I can't move and I can't breathe
I can't love and I can't speak
I can't trust and I can't run
I can't wake and I can't sleep
I can't live my life without you
You hear my voice cry
Take my heart
And hold it in your arms
I give you my life
Set in the potter's hands
Make it what you want
Cause I can't move and I can't breathe
I can't love and I can't speak
I can't trust and I can't run
I can't wake and I can't sleep

I can't live my life without you

I can't feel and I can't know
I can't think and I can't show
I can't give and I can't touch
I can't sink or rise above
I can't live my life without you

Cause I can't move and I can't breathe
I can't love and I can't speak
I can't trust and I can't run
I can't wake and I can't sleep
I can't live my life without you, You

I can't feel and I can't know
I can't think and I can't show
I can't give and I can't touch
I can't sink or rise above
I can't live my life without you

Can't live without You [3x]
