Dear pain, oh, it's been a long time
Remember when you were holding me tight
I would stay awake with you all night
Dear shame, I was safe in your arms
You were there when it all fell apart
I would get so lost in your beautiful lies
I let you go
But you're still chasing

Go ahead
You're never gonna take me
You can bend
But you're never gonna break me
I was yours
I'm not yours anymore
Oh, you don't own me

Dear hate, I know you're not far
You would wait at the door of my heart
I was amazed at the passion in your cries
Dear anger, you made me so high
You were faithful to show up on time
Such a flame that was burning in your eyes
I let you go
But you're still chasing

Go ahead
You're never gonna take me
You can bend
But you're never gonna break me
I was yours
But I'm not yours anymore
Oh, you don't own me

Go ahead
Put a target on my forehead
You can fire
But you've got no bullet
I was yours
But I'm not yours anymore
Oh, you don't own me

You tempted me to look back
But everything that we had together was a lie

Go ahead
You're never gonna take me
You can bend
But you're never gonna break me
I was yours
But I'm not yours anymore
Oh, you don't own me

Go ahead
Put a target on my forehead
You can fire
But you've got no bullet
I was yours
But I'm not yours anymore
Oh, you don't own me

Go ahead
Put a target on my forehead
You can fire
But you've got no bullet
I was yours
But I'm not yours anymore
Oh, you don't own me
