Sometimes it gets hard  
Upon this beaten road  
Sometimes I am tempted  
Just to walk alone

Well, I hear your words out of my mouth  
Wanting, expecting that  
The seeds that I've sown this time  
I'll reap in a short while

I'll run and not grow weak  
Walk and will not faint  
Climb the highest mountain to dive off  
And I'll fly high on, I'll fly high on broken wings

All I desire is everything  
That you are  
Strength is renewed  
As I wait on you God

Well, I hear your words out of my mouth  
Wanting, expecting that  
The seeds that I've sown this time  
I'll reap in a short while

I'll run and not grow weak  
Walk and will not faint  
Climb the highest mountain to dive off  
And I'll fly high on broken wings

I'll run and not grow weak  
Walk and will not faint  
Climb the highest mountain to dive off  
And I'll fly high on, I'll fly high on broken wings

Well, I hear your words out of my mouth  
Wanting, expecting that  
The seeds that I've sown this time  
I'll reap in a short while

I'll run and not grow weak  
Walk and will not faint

Climb the highest mountain to dive off  
And I'll fly high on broken wings

I'll run and not grow weak  
Walk and will not faint  
Climb the highest mountain to dive off  
And I'll fly high on, I'll fly high on, I'll fly high on
