Visit "[Fill My Shoes](#)" on MotoLyrics.com

Hey won't you come to try and fill my shoes
They don't walk so well
Hey can you take the death inside my heart
It don't beat so well

[Bridge]

And I wait for you
Come and save me from the place
Help me change

[Chorus]

I life my eyes to the heavens
Cuz I've been looking down for so long
Hey I see you and I wonder do you see me
Feel's so far away
Hey can you take me under shelter
and love me Is that too much to ask

And I've searched for you and I've tried to put you first
but I failed Lord help me change

[Chorus]

I believe, help my unbelief
