

Disciple "Forget Me Not"

Visit "[Forget Me Not](#)" on MotoLyrics.com

Before I heard the sound of your cry,
I had answered the call of love.
Reconciliation is spreading her wings,
I'm gonna fly beside.

I will be thinking about you tonight,
As you dance on the back of my eyes.
This wrinkled picture is all that I've got.
I will be coming back.
Wait for me now,
Don't you forget about me.
Wait for me now,
Don't you forget about me.

We'll have no need of positions. (not too sure about this
word)
How can they call out unless they hear?
I must go.
I must ride.
But my heart will be with you.

I will be thinking about you tonight,
As you dance on the back of my eyes.

This wrinkled picture is all that I've got.
I will be coming back.
Wait for me now,
Don't you forget about me.
Wait for me now,
Don't you forget about all of the promises that we have
made.
Somehow we'll get just as much as we gave for all.
(Really not too sure about "all")
Wait for me now,
Don't you forget about me.

I must go.
I must ride.

I will be thinking about you tonight,
As you dance on the back of my eyes.
This wrinkled picture is all that I've got.

I will be coming back.
Wait for me now,
Don't you forget about me.
Wait for me now,
Don't you forget about me.
