Take my eyes from me, so I will see in spirit  
Change my mind to think, on what you see fit  
The heavens declare your glory, but does my witness  
May you be glorified in me, Lord may I be blameless

Chorus  
Halloween

I am available to do your will,  
in my life I pray Your word is fulfilled,  
they're singing honor to you  
Oh Lord my God,  
Power and strength to you Oh Christ Jesus

Chorus

When I was poor you had made me a rich man  
What I was sick you had made me a healed man  
When I was weak you had made me strong  
When I was dead you had made me alive
