

Disciple "Mercy"

Visit "[Mercy](#)" on MotoLyrics.com

Have mercy on me Oh God according to Your love
Cleanse me from my iniquity wash me from my sin

[Bridge]

Against You only have I done this sin and worked this
evil in Your sight
Take me back where I can be whole again
'cause all I want Oh Lord is to be in Your light

[Chorus]

Because Your love, it gives new life to me

The more I have of You, the more that I can believe that
Your love,
it can set me free
Oh Lord I know I need Your grace and mercy

Have mercy on me
Oh God according to Your love
Help me to see more of You
Oh Jesus so I can see less of me
