Images of everyone of what you see just illusions of /
What we were meant to become / Awakened fire of the
Son inside (Hebrews 12:29)

Everything within me cries out (Psalm 61:2) / The
mosquitos are biting / My heart overflows (Psalm 84:2)
Everything within has burned out the fire is biting
(Malachi 3:2-3) / New life has begun (2 Corinthians
5:17)

And Iâ€™ll never forget just who You are (Psalm 119:93) /
Cut your name inside of my heart (Jeremiah 31:33)
Touching the flame right where you are (Isaiah 6:7) /
Can you feel the mosquitos biting?

Instances of what weâ€™ve done / That walk to our
destination (Romans 8:28) / Of what we know weâ€™ll
become
Awakened fire of the Son (1 John 3:2)
