Like a moon that tries to hide away
But the dawn will catch it with the day
Like an angry son that's movin' on
But he never will forget his home

Feel this grace shinin' in
There's nowhere that you've not
Walked with me on
Carried me on

There is nowhere I can go
Even in the depths of the sea
You are not too far away

When I wake, when I sleep
You are capturing me
With a love that knows
No end at all

Like a desert that is dead and dry
But the river fills it up in time
Like a daughter that's been thrown away
Then is adopted by a kinder face

Feel this grace shinin' in
There's nowhere that you've not
Walked with me on
Carried me on

There is nowhere I can go
Even in the depths of the sea
You are not too far away

When I wake, when I sleep
You are capturing me
With a love that knows
No end at all

Walked with me on
Walked with me on
Carried me on

There is nowhere I can go
Even in the depths of the sea
You are not too far away

When I wake, when I sleep
You are capturing me
With a love that knows
No end at all

No end at all
