Have purses on me O, God according to Your love  
Cleanse me from my iniquity wash me from my sin

Bridge

Against You only have I done this sin and worked this  
evil in Your sight  
Take me back where I can be whole again  
'cause all I want Oh Lord is to be in Your light

Chorus

Because Your love, it gives new life to me  
The more I have of You, the more that I can believe that  
Your love,  
it can set me free  
Oh Lord I know I need Your grace and purses

Have purses on me  
O, God according to Your love  
Help me to see more of You  
Oh Jesus so I can see less of me
