Somebody threw out my home off the door,  
But Iâ€™ll be taking it back, I wouldnâ€™t tear up for that,  
but for you  
And I will get up again, I got a power that will not stop.  
Wonâ€™t stop.

And I will make that back, I was falling numb,  
May he rest in peace, â€™cause heâ€™s forever gone,  
God bless the moment I surrender to this revelation.  
All the criminal things that Iâ€™ve ever done,  
May he rest in peace, â€™cause heâ€™s forever gone,  
God bless the moment I surrender, you set your  
revelation.

Somebodyâ€™s shaking me down off the road,  
But pardon me of disgrace, I throw it up in my face,  
Try the nerve with my side,  
Well, I will go up again, I got a power that wonâ€™t stop.  
Wonâ€™t stop.

And I will make that back, I was falling numb,  
May he rest in peace, â€™cause heâ€™s forever gone,  
God bless the moment I surrender to this revelation.  
All the criminal things that Iâ€™ve ever done,  
May he rest in peace, â€™cause heâ€™s forever gone,  
God bless the moment I surrender, you set your  
revelation.

Said I donâ€™t know.

And I will make that back, I was falling numb,  
May he rest in peace, â€™cause heâ€™s forever gone,  
God bless the moment I surrender to this revelation.  
All the criminal things that Iâ€™ve ever done,  
May he rest in peace, â€™cause heâ€™s forever gone,  
God bless the moment I surrender, you set your  
revelation
