I won't stand back while the river runs dry
I'll dive in like it depends on my life
I won't sink down when it's over my head
The fire in my eyes let's you know I'm dead
I won't shut down when the mountains won't move
Climb to the top if it's the last thing I do
I won't slow down when there's mud on my neck
If you feel safe then you haven't lived yet

Take my time, it doesn't matter if the sky is gray, I'm
gonna
Take my time, and live like it's my last day

Oh Yeah, feel the high
Alright, I feel alive tonight
Oh yeah, rain or shine
It's a great day to be alive

Oh Yeah, feel the high
Alright, I feel alive tonight
Oh yeah, rain or shine
It's a great day to be alive

I won't slow down when I'm flat on my back
If I fall down then I'll roll where I'm at
I'm nowhere near done when there's blood on my lips
If you haven't took a swing then you haven't lived yet

Take my time, it doesn't matter if the sky is gray, I'm
gonna
Take my time, and live like it's my last day

Oh Yeah, feel the high
Alright, I feel alive tonight
Oh yeah, rain or shine
It's a great day to be alive

Oh Yeah, feel the high
Alright, I feel alive tonight
Oh yeah, rain or shine
It's a great day to be alive

I'm alive!

Take my time, it doesn't matter if the sky is gray, I'm
gonna
Take my time, and live like it's my last day

Oh Yeah, feel the high
Alright, I feel alive tonight
Oh yeah, rain or shine
It's a great day to be alive

Oh Yeah, feel the high
Alright, I feel alive tonight
Oh yeah, rain or shine
It's a great day to be alive

I'm alive!
