Sleeping with your eyes wide open but closed inside /  
Where light and darkness both are blinding (2  
Corinthians 4:4) / The novella you write painted with  
the brush of night / That never has a happy ending

Decisions will make you or break you / Don't let them  
pull away (Proverbs 2:20-22) / Made a wish upon a  
stalling car (Isaiah 14:12) / Ran so fast you don't know  
where you are / Wake up friend (Mark 13:36) / It's just  
one life (Hebrews 9:27) / It's not too late (Jeremiah  
13:16 / Luke 13:24-25) / Your ride is far from over / Far  
from over

Medicate away every nightmare that you create / If it  
falls short then try another / Doesn't God see this?  
Wonder why He won't throw the switch? / He's  
asking you the same question (Colossians 3:5)
