[Verse 1]

The air is leaving here  
It's getting hard to breathe, I'm choking [Matthew  
13:22]

The fracture was innocent  
A miniature compromise that exploded [James 1:15]

Inside my atmosphere  
And now the paradigm is shifting [John 8:34]

A good man was living here  
Virtuous evidence has all but disappeared [James 2:10]

[Chorus 1]

Right was wrong when wrong went right [Romans 1:22;  
Romans 7:15]  
I'm fading  
Black has turned to gray inside [Revelation 3:16]  
And I know that I need saving, can You save me?  
[Psalm 130:1-8]  
Take me away to where You are [John 14:3]  
Cause I won't leave without it [Genesis 32:26]

[Verse 2]

Involuntary fast  
The bread that never lasts, I'm starving [Matthew 4:4]

Sanity shackled here  
The key is in my hand, but I'm frozen [Isaiah 52:2]

Revelation sings  
Justice delivery is blinding [Proverbs 1:2-3]

My death is imminent  
I'd rather die with You than utterly alone [2 Samuel  
24:14]

[Chorus 2]

Welcome back my innocence [Psalm 32:1-2]  
How I have so longed to see your face again [Psalm  
51:11-12]

Overwhelmed I say goodbye  
As the pages turn I say goodbye  
Passing by the end of my life [2 Corinthians 5:17]

[Bridge]

Pages turn, memories burning away  
Ashes celebrate [Hebrews 12:29]  
You're washing me, consuming me [Revelation 1:5]  
As I'm falling on Your sword [Ephesians 6:17]  
You're washing me, branding me with grace [Galatians  
6:17; 2 Corinthians 12:9]  
Innocence reborn [John 3:3; 1 Peter 1:23]

Psalm 51:1-17; Psalm 32:1-7
