I can feel it in the thunder rolling,
Lightning crashing
It's our time, the wait is over
Fires burning, floods are rising
It's our time, the wait is over

Sitting in ashes
Were broken with our faces
Downward
Like there's nothing we are looking forward to

We've been waiting so long for this moment all our
lives
Let it pour out

I can feel it in the thunder rolling,
Lightning crashing
It's our time, the wait is over
Fires burning, floods are rising
It's our time, the wait is over

Hoping and praying in silence
That the blessing of
The former
Isn't the end of what we look forward to

We've been waiting so long for this moment all our
lives
Let it pour out

I can feel it in the thunder rolling,
Lightning crashing
It's our time, the wait is over
Fires burning, floods are rising
It's our time, the wait is over

The wait is over
The wait is over
I can feel it in the...

We've been waiting so long for this moment all our
lives

Let it pour out

I can feel it in the thunder rolling,
Lightning crashing
It's our time, the wait is over
Fires burning, floods are rising
It's our time, the wait is over
