As the sun comes up, Lord I see You
As the wind blows on my face, Lord I feel You [2x]
Sometimes I don't know what to say
When my heart wants to praise
And I have concluded of You
That I barely know anything about You at all
Cause Lord if You showed me a thousand things
Brand new about You everyday
I still would never see the fullness of Your glory
Lord if You gave me a thousand years
To try and count up all the ways
That You have shown to me
That You are just not enough
You are too much
As the river flows, Lord I hear You
As the rain falls on face, Lord I feel You [2x]

Sometimes I don't know what to say
When my heart wants to praise
And I have concluded of You
That I barely know anything about You at all

Cause Lord if You showed me a thousand things
Brand new about You everyday
I still would never see the fullness of Your glory
Lord if You gave me a thousand years
To try and count up all the ways
That You have shown to me
That You are just not enough
You are too much
I know You know me
Better than I know myself
But I want to know You
Even though I know my mind
Can't hold it all

Cause Lord if You showed me a thousand things
Brand new about You everyday
I still would never see the fullness of Your glory
Lord if You gave me a thousand years
To try and count up all the ways
That You have shown to me

That You are just not enough
You are too much
