I would do anything to see Him  
Cause I know He is passing by  
Won't let my situation hinder  
So desperate I'm willing to climb

Ain't gonna let it slow me down  
I'll fight my way through the crowd  
And then I heard Him say,  
"I'll enter in your house today  
I've come to seek and save that which was lost"

Jesus I need you, Jesus I want you  
I've got to break through so I can see you

Oh how I can't stop the bleeding  
Spent all my money and no one can help  
If I could touch the hem of His garment

I know it's through Him that I can be made well

Ain't gonna let it slow me down  
I'll fight my way through the crowd  
And then I heard him say,  
"Who touched Me, power's gone from Me  
Daughter your faith has made you well"

Jesus I need you, Jesus I want you  
I've got to break through so I can touch you

Ain't gonna let it slow me down  
I'll fight my way through the crowd  
And then I heard Him say,  
"Enter in My good servant  
I will be yours and you will be Mine"
