The things your eyes have seen  
Are the content of my darkest dreams  
But you take it willingly  
The war that keeps my family free

To all the brothers that have gone  
I want your memory to live on  
And as I'm on my knees  
I hope that your heart can hear me

I'm praying as you're sleeping  
Peace will find your dreams tonight  
And you'll know  
I am so thankful for all you've done

Across the foreign shores  
Are the souls I won't ignore  
That would not run from our enemies  
As we rest in our peace

Tonight I'm praying for your child  
That it won't be a long while  
Till all our brothers come home  
To fight no more

I'm praying as you're sleeping  
Peace will find your dreams tonight  
And you'll know  
I am so thankful for all you've done

And as the rain stops falling  
I thank my God, it's camouflaging the tears  
That falls from my eyes as you're coming home  
Come home

I'm praying as you're sleeping  
Peace will find your dreams tonight  
And you'll know  
I am so thankful for all you've done

And as the rain stops falling  
I thank my God, it's camouflaging the tears

That falls from my eyes as you're coming home  
Come home
