You have proved in every way
Your reality everyday
And there's no way to explain
All the ways that You love me
And I will never forget
I will never regret
The day that we met
And you saved my soul from death
So I exalt You
Lay my life before You
Lift my hands to praise You
Take this time to thank You
Through it all You have never left me
You have been faithful to forgive me
Through it all You have never left me
You never leave me

You rock my socks off [2x]

As I look at yesterday
I can see You there next to me
And through the good times and through the bad
Everything has worked for my good

And I will never forget

I will never regret
The day that we met
And you saved my soul from death
So I exalt You
Lay my life before You
Lift my hands to praise You
Take this time to thank You
Through it all You have never left me
You have been faithful to forgive me
Through it all You have never left me
You never leave me

You rock my socks off

So I exalt You
Lay my life before You

Lift my hands to praise You
Take this time to thank You

Through it all You have never left me
You have been faithful to forgive me
Through it all You have never left me
You never leave me

You rock my socks off *[4x]*
