Can anybody find me somebody to
love

Each morning i get up i die a little
can't barely stand on my feet
(take a look) take a look in the mirror and cry
Lord, what you're doin to me

I have spent all my years in believing you
but i just can't get no relief
Lord, somebody (somebody)
somebody (somebody)
can anybody find me
somebody to love

got no feel,i got no rhythm
i just keep losin my beat
i'm okay, i'm alright (she's alright she's alright)
ain't gonna take no defeat

i just gotta get out of this prison cell
one day i'm gonna be free
Lord, somebody (somebody)
somebody (somebody)
can anybody find me
somebody to love oh

everyday (everyday)
i try and i try and i try
but everybody wants to put me down
they say i'm goin crazy
they say i've got alot of water in my brain
got no common sense, i got nobody left to believe
yeah yeah yeah yeah yeah

find her somebody to love(6x)

can anybody find me
somebody to, love

find me somebody to love(4x)
