A time to raid
A time to conquer
The buses without passengers

Push it in,
Pin-cushion queen
Bleed red like no-one's ever seen
Now give it every single drop

This one goes for the fresh new blood, yeah
This one's not for the faint at heart, yeah
Another day, another new found lost soul
Another day, the fresh new blood still runs strong

Steer the wheel blindfolded
Following the compass nail
This road goes where you want it to go
This is the time you're in control
Now give it everything you've got

Sew up the seams
Stitches made with stable hands
Hold up and let you sleep
Sew up the seams
Stitches made with shaky hands
Hold up until they bleed

A time to raid
A time to conquer
The trains without passengers

Push it in,
Pin-cushion queen
Bleed red like no-one's ever seen
Give it everything you've got
Give it every single drop
