I want to take you to my hotel-room  
And show you my collection of stolen silver-spoons  
I want explosions every single day  
Just give me a minute and I'll be already on my way  
I'm going to shake the dust off my shoes  
I'm going to shake off the dust of this town

So long, my sisters  
We'll never see again  
We'll never kiss again  
So long my brothers  
We'll never see again  
We'll never meet again

I want to shove you into my suitcase  
Put you in to the back of my car with no license plates  
I want to take you where the wind only goes  
Say goodbye to the strangling ties and cardboard  
souls

I'm going to shake the dust off my shoes  
I'm going to shake off the dust of this town

So long, my sisters  
We'll never see again  
We'll never kiss again  
So long my brothers  
We'll never see again  
We'll never meet again

So long, my sisters, So long my brothers  
Au revoir, all sons and daughters  
So long, my sisters, So long my brothers  
Au revoir, all sons and daughters  
We are going to shake the dust off our shoes  
We're going to shake off the dust of this town
