You see right through me,
There's so much hate in my heart.
You tie me down with your fire stare
So sure that you'd set me free.

Got into lightning strike
Or let your all in the morning suns,
At all, it shall pour.
Got into a lightning strike
Or let your flash of darkest sky
And I was still scared of

Your ways, they have too much feeling,
You have too much feeling in your heart,
Feeling in your heart.
And I just couldn't burry all.

You smile and dive down to the water,
It's slight so me all that I've sworn,
But I just can't stop shaking.

Got into lightning strike
Or let your all in the morning suns,
At all, it shall pour.
Got into a lightning strike
Or let your flash of darkest sky
And I was still scared of

Your ways, they have too much feeling,
You have too much feeling in your heart,
Feeling in your heart.
And I just couldn't burry all.

And I was still scared of

Your ways, they have too much feeling,
You have too much feelings in your heart,
Feelings in your heart,
And I just couldn't burry all.

And I just kept inside it all.
I just kept inside it all.
