Do do do do...

What makes him tick, that dancing kid  
He's to get it down  
On the floor, you can't ignore  
That acrobatic clown

He's been trucking ever since  
He's old enough to walk  
His mother taught him how to move  
Before he learned to talk

(CHORUS)

So, dance, dance, dance, dancing kid  
Keep on moving  
Don't let those people down  
Dance, dance, dance, dancing kid  
Til the music stops  
Keep spinning round and round  
And round and round...

Keep on going  
Come on, snap your fingers  
Close your eyes if you have to

His daddy was a vaudeville man  
It must be in his blood  
He followed in his father's steps

With licks that never quit

(CHORUS)

Do do do do...

Dance, dance  
Dance, you dancing kid  
Do do do do...

Dance, dance  
Dance, you dancing kid

Yeah, come on, everybody  
Get out there

(CHORUS) 3X to fade
