Another sunset is gone  
Another place I don't belong  
If you could hear this song  
Oh, Lindsay, some thing's wrong

One thousand long and lonely nights  
Can someone out there save this life  
You've always been my light  
Oh, Lindsay, some thing's wrong

Some day, far away  
I'm gonna give you the world that you wanted  
Lindsay, don't say  
You're gonna leave me the way that you found me  
I'm still in love

So many words, so hard to say  
And would you hear them anyway?  
But you're so far away  
Oh, Lindsay, I was wrong

I'd give you my last mortal breath  
'Cause I was lost, the day you left  
You're better than all the rest  
Oh, Lindsay, hear my song

Some day, far away  
I'm gonna give you the world that you wanted  
Lindsay, don't say  
You're gonna leave me the way that you found me

I'm still in love, I'm still in love  
With your smile, with your eyes  
With your sweet, sweet soul  
Now, you're walking, walking  
Walking away from me

Some day, far away  
I'm gonna give you the world that you wanted  
Lindsay, don't say  
You're gonna leave me the way that you found me

Some day, far away  
I'm gonna give you the world that you wanted  
Lindsay, don't say  
You're gonna leave me the way that you found me  
I'm still in love
