Every day that you pull me under
I don't know what to believe
Never saying a word to each other
I know that I'm waiting
On a love that's like dying flowers
And these are your final hours
Cause I've waited for as long as I can
And I don't want to lose again
Yeah I've waited and I can't understand
Why you don't
Don't try, don't try at all, yeah
Carried away like the sweet emotion
All the love inside of me
Better days may be gone forever
So you give till you bleed
On a love that's like dying flowers
And these are your final hours
Cause I've waited for as long as I can
And I don't want to lose again

Yeah I've waited and I can't understand
Why you don't
Don't try, don't try
Don't try, don't try
Cause I've waited for as long as I can
And I don't want to lose again
Yeah I've waited and I can't understand
Why you don't
Don't try, don't try
Cause I've waited for as long as I can
And I don't want to lose again
Yeah I've waited and I can't understand
Why you don't
Don't try, don't try
Cause I've waited for as long as I can
And I don't want to lose again
Yeah I've waited and I can't understand
Why you don't
Don't try, don't try
