Merciless death how you love your precious guilt
How you pathetically hold on to you insignificant
martyrdom
The sweet taste of your fresh victims veins coursing
through you
I can feel your cold embrace on my lifeless body
Can you save me from my suffering
Can you save me from my feelings

Can you save me
I feel you but I can't see you
I CAN'T SEE YOUUUUUUUUUUUUUU!
Your cold embrace, your translucent presense
A kiss of DEATH
Adorned with sick sadistic pleasure that
Only makes me stronger
Reaping my final vengeance upon your soul
