

## Disfear "An Arrogant Breed"

Alienated, isolated defiling a culture profane  
Decay and repression interact the arrogant of power,  
It remains masked we're arrogant breed  
The spawn of the sum of mankind's greed  
I'd give anything to be free  
Free from the chains of your righteous dream  
Oh yeah  
Human values marginalized in a throw-away  
Society in failure to feel all the worms  
They will be revealed  
We're arrogant breed  
The spawn of the sum of mankind's greed  
I'd give anything to be free  
Free from the chains of hypocrisy  
Oh yeah
