Ride the black wings of the holocaust angel  
Across burning skies, raining acid and sulphur  
Churches, governments will crumble and fall  
As in heaven so below  
As the wolves descend upon the flock of sheep  
Watch a misanthropic generation bleed  
As the wolves descend upon the flock of sheep  
Another child born of the dead-end breed  
Nihilism, rage, frustration realeased  
A planet under siege, a final killing spree  
There's no time for no fuckin' apologies  
We're hitting you hard and  
We're hitting you deep  
Harder HARDER  
Deeper DEEPER
