Fondling the bodies
Pulverizing the torsos
Unconscious to awaken
Hemorrhaging from multiple wounds

Purifying the cavity
Tortured mutilated bodies
Scream as their flesh pierced
And stabbed exposing their innards

Severing the rectum
The stench of feces is inhaled
As I drain her bowels into my mouth
Still twitching

Severing the rectum

Purifying the cavity
Hemorrhaging from
Purifying the cavity
Multiple wounds
Purifying the cavity
Indulging my lust for mutilation [x2]

Indulging my lust for mutilation

*Blood warm
Arousing me
I sever the head
Fucking her esophagus*

*Purifying the cavity [x2]
Viewing my ejaculation through the open corpse
Infernal consummation slowly ripping through her limbs
Forming into a pulping mass
Rotting lies the fleshless cadaver
Decomposed*

*Rotting lies the fleshless cadaver
Fucking her esophagus*

*Purifying the cavity
Hemorrhaging from
Purifying the cavity
Multiple wounds
Purifying the cavity
Indulging my lust for mutilation [x2]
Purifying the cavity*

*Purifying the cavity
Scream as their flesh pierced and stabbed [x2]*
