Mutilated entrails, rot as I disgorge

Ejaculate the mutilation, severed heads  
Bleed on me as I eat the rotting corpse corpse corpse

Organ by a mangled body, as I regurgitate  
I become infested...she lay gutted

Violent discharge, from the rectum  
Carving pelvises from a woman

Ripping-vaginal skin, ripping-reproductive cords  
Ripping-sodomize her

Mutilated entrails, rot as I disgorge

She lay gutted gutted, she lay gutted gutted

Organ by a mangled body, as I regurgitate  
I become infested rotting rot as I disgorge

She lay gutted...

Violent discharge, from the rectum, carving  
Pelvises from a woman  
Ripping vaginal skin ripping vaginal skin  
She lay gutted [x5]
