Say that this life's unkind  
Blasted out silent mind and quiet pain  
They say we run with a demon's lie  
But sometimes they break

And sometimes the angels  
Keep us safe from drowning  
So find a reason to live  
Silence, love is in reach  
They say that my love is  
I won't go away  
And all of my demons die  
They just fade away

They just fade away

Say that this life is kind  
If you ease up the moment  
And shine like the sun  
They say we run with a demon's lie  
But sometimes they break

And sometimes the angels  
Keep us safe from drowning  
So find a reason to look  
To the sky, keep it in reach  
Say that my love is  
I won't go away  
Move in a moments kind  
They just fade away  
They just fade away

[interlude]

They say that this life's unkind  
They rise as the demons lie  
Fade away  
Just fade away  
And all of my demons die  
They just fade away  
(say that my love is

I won't go away)

And all of my demons die  
I just fade away

(say that my love is  
I won't go away)

And all of my demons die  
Just fade away
